### Notice:

**The above fee is for the forum only and does not include the room and meals. Room reservation and Meals will be handled by Asilomar not by the forum committee as in most years past, see the Room Reservation Form for room and meal information.**

There are rooms assigned to our forum and will be held until September 1, 2009. After that date if we hold rooms the forum committee is held responsible to pay for those rooms that are not occupied during forum. For that reason there will be very few rooms saved after that date. After those rooms are filled you will only be able to get a room at Asilomar if they have vacant rooms and in most cases will not be with other forum delegates. If you want to stay off site and want meals you must make arrangements with Asilomar, the committee will not have meal tickets. Any services with Asilomar can be paid for by check or credit card.

**Please mail room reservation forms to Asilomar not to the forum committee**
