The Holiday Auction is December 8th!

Yes Ladies and Gentlemen it's time once again for our Annual Holiday Auction! The grand event is set to take place December 8th at Poinsettia Elementary School starting at 6:30 pm. Some of you may know that the Holiday Auction is also a potluck! This means the 4-H members and their families are responsible for bringing assorted food items—the types of food you will need to bring depends on your last name. **If your last name starts with any letters from A to G, you are bringing a Dessert. If your last name is H through M, you are bringing a Main Course. If your last name is from N to Z, please bring a Side Dish or a Salad.** Utensils, drinks, plates, napkins, etc. are going to be provided by the club.

The meeting will have both a silent & a live auction, and we will also have an especially interesting cash & carry table. Items for the auction will be crafted by the members of each project at their meetings. The items should be somewhat relevant to the project. It will be a ton of fun, so please come, Eat, Shop, and Be Merry~!

86TH ARBA CONVENTION 2009

The eighty-sixth American Rabbit Breeders Association convention took place in San Diego this year and our group of local 4-Hers did an excellent job. Sarah Bobart's rabbits were awarded Blue Jr. Doe BOV, Blue Buck BOSV, BOV Red Eyed white. Spencer Wittrock got 2nd in Polish Black Senior Buck, Broken Senior Buck, and Broken Junior Doe. Kathy Bass's Lynx Jr. Doe got BOV and her White senior Buck got BOSV. The owners of these rabbits also competed. Spencer took part in the ARBA Royalty Contest. Sarah participated in Breed ID and Judging. Both Spencer and Kathy also attended assorted rabbit workshops. What fun!

YOGA

Dating all the way back to ancient India, yoga is a fun and soothing activity that helps relieve stress.

We are lucky enough to have a Yoga Project here at Loma Vista. Perhaps school has been especially tedious or the sport you play has taken its toll upon your muscles. In that case what could be better than signing up for this healing, relaxing project?
